DONALD McLEAN.

August 10th, 1860.

NOTE.—The price per acre cannot be deduced from these Returns, as very many of the payments are on account of Blocks of land purchased prior to 30th June, 1856, and many payments are instalments on account of Blocks the survey of which in some instances has not been completed, or the purchase money fixed; in each of these cases the sums paid are not correctly represented by the acreage standing against them.

For the Chief Land Purchase Commissioner,
JOHN ROGAN, D. C.
