145	73A	W. E. Cornack	5,500	Waipa	1839	...	...	Never investigated. Claims put in by Arthur Willis and G. Graham, derivative Claimants from Cornack. Mr. Graham made a survey of 12,100 acres at Piako, but it was rejected, because it contained only Crown Land, and Webster's Claim. Afterwards he made another survey of 30,350 acres, but the greater part was disallowed. The Claims at Waipa and Waikato have not been investigated.	...	...	...	...	...
