[TRANSLATION.]

To the Great Council of New Zealand, at Wellington assembled.

To —— MANTELL,—

Tawhirihoe, Rangitikei, April 24th, 1865.

Friend, salutations to you, and to the Members of the Council of the Government. This is an enquiry by us the residents of the District lying between Ohau and Rangitikei,—What is the reason that Rangitikei and Manawatu are excluded from the permissive law of the Government for New Zealand ("Nat. Lands Act, 1862") Rangitikei, Manawatu, and on to Ohau are in your prison-house. Great is the grief that has come upon us on account of your having enacted two courses of law for New Zealand; one a law for opening (permissive); the other a law for closing, (prohibitory). Rather let them all (both) be open. If you persist in closing up our small piece between Ohau and Rangitikei, great will be our grief at our imprisonment by you. It would be better to make the permission general, that there may be but one law for our island; lest some live in gladness of heart, and others in darkness of heart: that is to say, they who enjoy the permissive law have gladness, while to us who are bound in your prison-house there is darkness of heart. Therefore we, the Chiefs of the District, thus restricted by you, request of you, the Members of the Government, that you will remove this ill-working restriction from our territory, and permit us to go on our way in lightness, joy, and gladness of heart.

(Signatures.)

May 5th, 1865.—These men are of Horowhenua, and to be included in the matter of removing the restriction from everything, that they may all live in joy and gladness of heart:

altogether twenty-one persons.

These all advocate the removal of the restriction—that is the removal of the prohibition on land-leasing, even down to the smaller matters. Some have not been subscribed because they are absent about their business.

To IHAKARA,—

Ohau, May 9th, 1865.

Friend, we have heard your proposal through Te Peina. It is well that you should attend to the alteration of evil regulations. That also is what we are for thrusting aside, that the *mana* of the Governor may not rest upon our lands, even as also your desire is. Rather let his *mana* light upon Manawatu and the lands of (sold by) Hirawanu, the lands which have properly become his; that would be right; but this work of the Governor is wrong. Be strong in your condemnation of your evil-working regulations. The end.
