The salaries, as shown in the Return of Commissioner of Police, are in accordance with the Appropriation Act for the present year. There is also a fund in connection with the force into which all sums received for the apprehension of deserters from the Army, and runaway sailors from the Navy, are put. These amounts are divided annually among the Sergeants and Constables: they are of a very uncertain character, and will, it is presumed, be very small for the year 1866.
