(*Mr. Carleton.*)

—
1867.

THE appended Returns are compiled from Lists of the Native Reserves in this Office. There are no Reserves, so far as I am aware, in other Provinces than Taranaki, Wellington, Nelson, Canterbury, and Otago, which come within the meaning of the Order of the House of Representatives.

Scrimgeour, of Collingwood, for £15, with the consent of the Government. A Crown Grant is in course of preparation to the Native owners to enable them to convey this portion to Mr. Scrimgeour. The remainder of the Reserve is unoccupied: a Grant has been promised to the Native Owners. The reason for Mr. Scrimgeour being allowed to purchase a portion of this land is owing to his having built his house partly on the land, caused by a mistake in the survey of the boundary of his land. The only object in bringing this Reserve under the Act was to enable a Grant to be issued to the owners.
