26th March, 1869.

SIR,—

The Queen has been graciously pleased to present to the Library of the General Assembly of New Zealand a copy of "Leaves from the Journal of Our Life in the Highlands;" and at the same time I have been informed that Her Majesty expects that I will convey the gift of this book to the General Assembly Library in the most appropriate manner.

I have thought that I should best fulfil this pleasing duty by transmitting the book to you through the Agent for New Zealand, which I have done, and by acquainting you with the interest which the Queen has evinced in the Library of the General Assembly, an interest which, I am well aware, will command the gratitude of both Houses of that Assembly.

I have, &c.,
G. GREY.

The Hon. the Premier, Wellington, New Zealand.
