* This Board had raised £270 in the previous year by promissory notes, and a further sum of £566 3s. in the same way in the present year, out of which it had paid off £700, thus leaving a balance of borrowed money of £136 3s.; but as it had £42 15s. 4d. in hand, the difference between these sums is shown as over-expenditure.
