ANNUAL REPORT OF THE SENATE.

In compliance with the 28th clause of "The New Zealand University Act, 1874," the Senate makes the following report to His Excellency the Governor of the proceedings of the University since the date of the last report:—

The Senate met on the 1st of March, 1876, at the Provincial Council Chamber, Christchurch, which place and time were appointed at the last meeting in 1875, as prescribed by "The New Zealand University Act, 1874."

The Senate have made certain amendments in the Statutes and Regulations at present in force with a view to carrying out more effectually the objects of the institution of the University. A copy of the Statutes and Regulations so amended is herewith, as directed by the Act, submitted for the approval of His Excellency the Governor.

The Senate desires to draw the attention of the Government to the necessity of defining and proclaiming the reserves specified as requiring to be defined and proclaimed within six months after the passing of "The University Reserves Act, 1875."

The Senate have expressed by resolution their opinion that a Bill should be introduced during the next Session of the Assembly to vest in trustees the reserves included in "The University Reserves Act, 1875," for the purpose of promoting higher education in the provinces in which such reserves are situated.

The affiliated institutions have continued to do their work satisfactorily during the past year. The Senate regard with pleasure the interest taken by these institutions in the proceedings and examinations of the University.

The annual Scholarship Examination was held in May 1875, and eighteen Scholarships were awarded.

The Bowen Prize has, for the first time, been gained this year. The successful candidate is Henry Hill, of Christchurch.

A statement of income and expenditure of the University, for a period of twelve months ending 29th February, 1876, is appended to this report.

HENRY JOHN TANCRED,
Chancellor.
