* NOTE.—In this District the selectors have built good houses, and are making large improvements.

+ NOTE.—In this District the selectors have built good houses, and are making improvements, and nearly all the sections are taken up. This District will become a very important one on account of its proximity to two railway stations, and I beg to recommend that all the land available for settlement in this District should be reserved for the deferred payment system.

(Signed)

D. CAMPBELL, Inspector.

(a.) These sections have been since taken up and considerably improved.
