

1878.

NEW ZEALAND.

EDUCATION.

PAPERS RELATING TO THE UNIVERSITY OF NEW ZEALAND.

Presented to both Houses of the General Assembly by Command of His Excellency.

No. 1.

The Hon. the COLONIAL SECRETARY to the CHANCELLOR of the UNIVERSITY of NEW ZEALAND.

SIR,— Colonial Secretary's Office, Wellington, 8th January, 1878.

I have the honor to inform you that the Agent-General, Sir J. Vogel, has drawn the attention of the Government to the fact that the General Medical Council of Great Britain on education and examination, in their recommendations, recognized the matriculation examinations of the Universities of Melbourne, Sydney, and Adelaide as sufficient testimonials of proficiency in regard to the preliminary examination of medical students; but that the examination of the New Zealand University is not so recognized, although Christ's College, Canterbury, is one of the collegiate bodies whose certificate is recognized by the Council.

The subjects recommended as those in which a student should be necessarily examined before a certificate of proficiency should be accepted appear to be such as would doubtless be covered by the rules of the New Zealand University matriculation examination; consequently there appears no doubt that an application to the Council by the governing body of the University would at once ensure its recognition on the same footing with other colonial Universities in this respect.

I have, &c.,

The Chancellor, University of New Zealand, Christchurch.

G. S. WHITMORE.

No. 2.

The REGISTRAR, University of New Zealand, to the Hon. the COLONIAL SECRETARY.

SIR,— University of New Zealand, Christchurch, 16th January, 1878.

I have the honor, by direction of the Chancellor, to acknowledge the receipt of your letter, of the 8th instant, respecting the recognition by the General Medical Council of Great Britain of the matriculation examinations of this University, and to state that the subject will be brought before the Senate at its approaching session.

I have, &c.,

W. M. MASKELL,

Registrar.

The Hon. the Colonial Secretary, Wellington.

No. 3.

The CHANCELLOR of the UNIVERSITY of NEW ZEALAND to the Hon. the COLONIAL SECRETARY.

SIR,— University of New Zealand, Auckland, 19th March, 1878.

I have the honor to transmit to you herewith the annual report of the proceedings of the University for the past year, as drawn up by the Senate in accordance with the provisions of clause 28 of "The University Act, 1874."

I have, &c.,

HENRY JOHN TANCRED,

Chancellor.

The Hon. the Colonial Secretary, Auckland.

1—H. 1A.

Enclosure in No. 3.

ANNUAL REPORT.

1. In compliance with the 28th clause of "The University Act, 1874," the Senate makes the following report to His Excellency the Governor of the proceedings of the University since the date of the last report:—

2. The Senate met on the 6th of March, 1878, at the Museum Building, Auckland, which time and place were fixed at the last annual meeting in 1877, as prescribed by the New Zealand University Act.

3. The Senate have made certain amendments in the statutes and regulations at present in force. The regulations passed with the view of giving effect to these amendments are herewith submitted for the approval of the Governor.

4. The Senate desire to draw the attention of the Government to the advisability of defining and proclaiming the reserves which under the University Endowment Act require to be defined and proclaimed. It has been intimated to the Senate that, as the term within which such definition and proclamation should have been made has elapsed, it will be necessary that fresh legislation should take place. Until this is done, the institutions which have an interest in the proceeds are suffering a serious loss.

5. The affiliated institutions have continued to do their work satisfactorily during the past year.

6. The Bowen Prize for this year was awarded, in accordance with the report of the examiners, to John Innes, Canterbury College, Christchurch.

7. There are now in the University nine graduates on whom the degree of Bachelor of Arts has been conferred by the University after examination. Sixty-five graduates from other Universities have been admitted *ad eundem gradum*. The number of matriculated undergraduates on the books of the University is now ninety-four.

8. The Senate has had under its consideration the question of granting medical degrees; as yet, however, it has not had before it all the information necessary to enable it to decide upon a matter of such serious importance.

9. The Senate have respectfully to request that your Excellency would be pleased to cause application to be made to the authorities of the London University for the extension to this colony of the scholarships established by the Gilchrist Educational Trust.

10. A statement of income and expenditure of the University for the eleven months ending 31st January, 1878, audited as prescribed by your Excellency, approved by the Senate, is hereto appended.

HENRY JOHN TANCRED,

Chancellor.

19th March, 1878.

No. 5.

The Hon. the COLONIAL SECRETARY to the AGENT-GENERAL, London.

SIR,—

Colonial Secretary's Office, Wellington, 22nd May, 1878.

The Senate of the University of New Zealand has forwarded a recommendation that application should be made to the authorities of the University of London for the extension to this colony of the Scholarships established by the Gilchrist Educational Trust.

I have to request you to be good enough to place yourself in communication with the authorities of the University of London, and to take such other steps as you may deem advisable for securing to this colony the advantages of the Scholarships referred to.

I enclose an extract from "The Sydney University Calendar," which furnishes information as to the terms upon which the Scholarships are held. I forward also copies of the New Zealand University Calendar, and other papers, which will enable you to inform the authorities of the University of London as to what is doing here in regard to University education.

I may mention that Dr. Hector, when in England, had a conversation with Dr. Carpenter, the Registrar of the London University, on the subject of the Gilchrist Scholarships, and ascertained from him that these are open to New Zealand in common with the other Australian colonies.

The Agent-General for New Zealand,
London.

I have, &c.,
J. BALLANCE,
(in the absence of the Colonial Secretary).
