## No. 1.

THE REGISTRAR to the Hon. the MINISTER of EDUCATION.

SIR,—

University of New Zealand, Christchurch, 1st April, 1882.

I have the honor, by direction of the Chancellor, to inform you that the Senate of the University, at its late session, ordered that a memorial, in the terms set forth herein, should be presented to you on the subject of the establishment in Auckland of a University College.

*Memorial.*

To the Hon. the Minister of Education.

SIR,—The Senate of the University of New Zealand, now in session in Auckland, would respectfully make known to you their opinion that there is urgent necessity for the establishment in Auckland of a College at which a complete University course of instruction can be given; there being at present no educational institution in that city competent to do so. The Senate would further recommend that the sum of £1,500, voted by Parliament in 1881 for this purpose, be immediately applied to the appointment of at least two Professors in connection with such College.

I have, &c.,

W. M. MASKELL,

Registrar.

The Hon. the Minister of Education.
