What special qualifications (if any) did the above-named railway servants possess for the positions to which promoted?—Length of service, good conduct, and general aptitude and fitness for the post.

What guiding principle was observed in making promotion?—To improve the general efficiency of the staff by filling each vacancy with the best men available, having regard to good record, experience and ability, diligence, aptitude, suitable age, and length of service.

20th October, 1894.

E. G. PILCHER, Secretary.
