

May 22	Spray, 31 years	Schooner	50	4	..	Timber..	Stranded; partial loss	..	1 mile from end of breakwater, Gisborne	E.S.E.	Strong gale	Vessel dragged her anchors during heavy gale	John Urquhart.
June 23	George Thompson, 30 years	Barque..	1128	19	1	Timber..	Sprung a leak	..	Lat. 46° 54' S., long. 158° 59' W., on voyage from Kaipara to Glasgow	S.E.	Heavy gale	Vessel being old, though repaired and passed in Sydney for this voyage, and having a considerable weight of deck cargo, appears to have been unable to stand the head-reaching and straining in severe gales and heavy seas met with, and sprung a leak. Cargo also shifted in 'tween decks, and pumping appliances out of order. Master put back to Wellington for repairs	Frederick John Fletcher.
"	23 Manukau, s.s., 15 years	Ketch ..	45	4	4	General	Stranded; partial loss	..	North Beach, Awakino River	Calm	Calm	Casualty caused through there being insufficient water on the bar	William Turner.
July 4	Mawhera, s.s., 14 years	Schooner	340	24	..	General	Sprung a slight leak	..	3 miles off Charleston, West Coast, South Island	Master reported that he discovered ship leaking. On arrival at Greymouth and discharging cargo, it was found that three rivets had been started in water-ballast tank; hence the leakage	Hugh McLean.
"	21 Anglian, s.s., 22 years	Schooner	1354	53	75	General, and 13 horses	Damage by heavy seas; partial loss	..	Lat. 33° 40' S., long. 160° 25' E., on voyage from Sydney to Auckland	N. to N.E.	Whole gale	Vessel caught in cyclonic storm, with heavy confused seas, which broke on board, damaging deck-fittings, drowning eight horses, and getting down into saloon, damaging cargo. Deck-cargo of 80 cases acids and 20 drums oil jettisoned to prevent serious accident to ship and cargo	Philip Le Neven.
"	21 Frank Guy, 24 years	Schooner	191	8	1	Timber..	Loss of sails and damage about deck	..	Lat. 33° 37' S., long. 162° 53' E., on voyage from Mercury Bay to Sydney	N.E.	Storm ..	During the gale vessel lost several sails and sustained other damage about deck	Robert Sopwith.
" 25, 26	Lurline, 18 years, Lloyd's 100 A1	Barque..	761	16	..	Rice ..	Damaged by heavy seas	..	Lat. 35° 36' S., long. 23° E., on voyage from Rangoon to Rio de Janeiro	S.W.	Monsoon	Parts of rigging and steering-gear carried away, and cargo damaged by seas shipped and by bursting of closet-pipe. Caused by heavy seas and unsettled weather	John Laws.
"	31 Kiripaka, s.s., 1 year	Schooner	72	7	..	Coal ..	Stranded; partial loss	..	Sunken rock at entrance to Ngunguru River	..	Moderate breeze	Casualty caused through fairway beacons becoming obscured by heavy squall of rain	John Frederick Hanson.
Aug. 7	Thurso, 31 years	Barque..	490	12	..	Timber..	Stranded; total loss	..	On bar of Grey River	S.E.	Light ..	Vessel going down river, in tow of tug Westland, touched on bar. The tow-ropes broke, and vessel drifted on rocks on north tip-head. Master blamed for accepting advice of Harbourmaster to put to sea without verifying soundings, and ordered to pay £12 towards costs of inquiry	William Stanward.
"	15 Borrowdale, 27 years	Ship ..	1197	23	..	General	Struck by heavy seas; partial loss	..	Lat. 43° 30' S., long. 35° E.	W.	Whole gale	Vessel considerably damaged by heavy seas breaking on board during heavy westerly gale	Alfred Edward Bolderston.
"	25 Hauroto, s.s., 13 years, A1	Schooner	1276	51	97	General	Collision with wharf; no damage	..	No. 2 Wharf, Lyttelton	N.	..	In coming into wharf vessel would not answer her helm; struck and damaged wharf, but sustained no damage herself	Andrew Anderson.
"	28 Hesketh, s.s., 12 years	Schooner	393	18	..	Coal ..	Propeller-shaft broken	..	Off Kaikoura Peninsula	E.	Light ..	Port shaft broke, owing to a flaw not visible on the surface	John Christian.
Sept. 6	Rimutaka, s.s., 9 years	Barque..	2859	105	237	General	Fire on board; partial loss	..	Lat. 5° S., long. 4° 50' W., on voyage from London to Wellington	S.E.	Moderate	No direct evidence how fire originated; but a strong presumption is that it was caused by use of naked lights contrary to orders	Herbert Edward Greensstreet.
