Taking the several years 1931–40 the number of lodges whose returns were tabulated, the number of members, total funds, and average capital per member at the end of each year were as under :—

These sums are, of course, held against the societies' liabilities under their sickness and funeral insurances, and the actuarial reports issued from time to time indicate how far they are sufficient or otherwise.

The above figures include the latest statistics received from lodges.

*The word "lodge" when applied to all societies is to be understood as embracing the synonymous terms "court," "tent," &c., as used in the various orders.
