

No. 94.—Petition of A. G. WELD, of Ngaruawahia, and 2,054 Others

PRAYING that the Medical Council be recommended to favourably consider an application by Dr. Isdale for re-registration.

I have the honour to report that the Health Committee has carefully considered this petition, and in respect of the prayer thereof has no recommendation to make. In respect of the medical needs of the petitioners, the Committee is of the opinion that early steps should be taken to provide adequate medical facilities in the Ngaruawahia district. The Committee recommend that this report be referred to the Government for consideration.

6th December, 1944.

W. T. ANDERTON, Chairman.
