

RESOLUTION OF GRATITUDE TO THE CUBAN GOVERNMENT AND PEOPLE

THE UNITED NATIONS CONFERENCE ON TRADE AND EMPLOYMENT

On reaching the termination of its deliberations in the city of Havana, Recalling with appreciation the generous invitation of the Cuban Government to hold the Conference in Havana,

Recognizing the singularly friendly and effective assistance which it has received at all times from the Cuban Government and people,

Has the honour and deep pleasure to convey the expressions of its heart-felt gratitude

To His Excellency the President of the Republic, Dr. Ramón Grau San Martín, whose benevolent interest and goodwill have been throughout a source of encouragement to the Conference;

To His Excellency Señor Don Rafael González Muñoz, Minister of State, who honoured the Conference by accepting its Honorary Presidency;

To the President of the Cuban Senate and to the President of the Cuban Chamber of Representatives who, together with their parliamentary colleagues, have cheerfully borne considerable inconvenience in order that the work of the Conference might proceed unimpeded at the Capitol Building;

To the President and Secretary-General of the Cuban Auxiliary Commission of the United Nations Conference on Trade and Employment, whose untiring efforts are in a high degree responsible for the smooth functioning of the Conference;

To the numerous Government departments and private organizations which have assisted instinctively in furthering the activities of the Conference;

To the press representatives of all countries, who have laboured with great energy and conscientiousness to keep world opinion informed of the progress of the Conference;

And to the very many individuals and social organizations which, having contributed so generously to the enjoyment and well-being of the representatives and to the general success of the Conference, have won the lasting gratitude and goodwill of all those who came to Cuba to participate in the Conference.
