NOTES.—(i) This return covers all unionists who were employed for any period during the year ended 31st March, 1950 (including men who have left or joined the union during the year).

(ii) The grand total of man-days shown in last column represents 312 days for each unionist available for work during the whole year (52 weeks of 6 days), with proportionate allowances for unionists who left or joined the union during the year.

(iii) The column "Working" includes, in addition to the actual days of work, days when men were available for work when no work was offering, and days absent on statutory and annual holidays.

(iv) The column "Sick" includes days absent in excess of 5 consecutive days and not exceeding 72 days (based on six-day week) in the leave year provided a medical certificate is produced.

(v) Compensation—see separate return.

(vi) The column "Penalties" represents days men have been penalized under the Bureaux rules.

(vii) The column "Absent" includes days of absence not included under other headings.
