HAVE you any objection, as our partner in Pacific Ocean telegraph-cable scheme, to Victoria granting concessions asked for by Telegraph Company; which are fully known to you? Has similar proposition been submitted to you; if so, what action has been taken with regard to it?

Wellington, 11th September, 1899.

INADVISABLE, I think, allow Eastern Company establish office for delivering and collecting their international telegrams. The concession, it appears to me, would place company in exceptionally strong and independent position as competitor, and prevent Governments determining what traffic should be sent over Pacific cable. Proposals not made this colony, but I received from company copy of letter forwarded your Postmaster-General on 24th July. I replied that, as New Zealand was committed to Pacific-cable scheme, we could not support Cape-Australia cable.

13th January, 1900.

SIR,—

In the last week of December I received from the Agent-General for Victoria copies of correspondence which had passed between the Premiers of New South Wales, Victoria, New Zealand, and Queensland relative to certain proposals of the Eastern Extension Company as to laying the cable between Australia and South Africa, and the terms upon which they were prepared to lay it. The covering letter of the Premier of Victoria stated that the Governments of the four colonies had decided to refer the matter to the Australasian delegates on the Pacific Cable
