WESTLAND.

Education Office, Hokitika, 10th February, 1903.

I have the honour to forward a copy of the certified balance-sheet for the year ending the

31st December, 1902, and to report as follows on the teransactions of the same period:

The reserves of the Westland Provincial District form an area of nearly 19,000 acres, and of this 6,600 acres are let at a total rental of only £34 12s. 6d., while the remaining portion has not been rented for either pastoral or agricultural purposes. The chief reason for the smallness of the income is the unsuitability of most of the land included, and it is with regret that the Commissioners learned that their proposal to exchange some of the reserves for more suitable Crown lands could not be entertained. The greater part of the income consists of royalties on timber, and a personal inspection of several reserves by a committee obtained information that warrants the expectation
