SIR,—
Niue Island Administration, Niue, 4th April, 1907.
I have the honour to forward herewith the returns of imports and exports for Niue Island for the quarter ended the 31st March last, also returns of imports and exports for Niue Island for the last financial year.

IMPORTS.

From the import return you will observe that the total value of the imports into Niue for the last financial year amounted to £5,580, as compared with £5,674 for the preceding financial year, a decrease of £94. The various items do not call for any special comment, as there has been little appreciable fluctuation during the past two years.
