

rates, provided that the receipts for the year were not less than £2, and the vote was divided according to the amount thus augmented; but no library received credit for a larger income than £75—that is, in no case did the augmented amount on which distribution was based exceed £100. In accordance with the *Gazette* notice, the day appointed for the distribution of the subsidy was the 4th February, 1908, and the amount of the vote was divided among the 417 libraries from which applications, each accompanied by a statutory declaration on the proper form, had been received at that date. The vote, as thus dealt with, afforded a subsidy of 3s. 5·49d. in the pound on the nominal income, and the subsidies ranged from £4 13s. 4d. to £17 5s. 6d.

The number of libraries participating in the vote shows a decrease of five as compared with the number aided in the previous year. In order that the purpose intended to be served by the vote may be attained, it is made a condition for participation that the whole of the subsidy granted to each library in the previous year shall have been expended in the purchase of books.

The following table shows the distribution according to the education districts:—
