The schools-of-mines examinations were held in December, 1908, and ninety-one students presented themselves for examination in some of the twenty subjects on which papers were set, the result of such examinations appearing in the *New Zealand Gazette* of the 30th January, 1909. One student, Mr. C. Milne, of the Waihi School, succeeded in obtaining first-class passes to the requisite number to entitle him to one of the four Government scholarships at the University of Otago, which are of the annual value of £50, and are tenable for three years.

I have, &c.,
FRANK REED,
Inspecting Engineer of Mines.
