No. 1.

EXTRACT FROM THE THIRTY-FOURTH ANNUAL REPORT OF THE MINISTER OF EDUCATION.

THE original Act, passed in 1905 and amended in certain respects in the following year, was repealed on the 10th October, 1908, by the Public Service Classification and Superannuation Amendment Act, 1908 (Part I), but existing contributors were allowed the option of electing to remain subject to the provisions of the original Act. The 30th June, 1910, was fixed as the date up to which such election might be made.

The chief difference between the Act of 1908 and the former Acts affected the basis of calculation of the retiring-allowance of a contributor. The retiring-allowance was to be one-sixtieth of the average rate of salary received during the three years next preceding retirement, for each year of service, provided that in no case may the allowance exceed two-thirds of that salary : under the former Acts the basis had been one-sixtieth of the total salary received by the contributor during the period of contributing to the fund (or, in other words, one-sixtieth of his average salary for each year of service during the whole period of contribution), and, in addition, in the case of original members, one one-hundred-and-twentieth of the salary during the years of service between 1st January, 1878, and 1st January, 1906, with a further proviso that in no case should an original member receive a retiring-allowance of less than £52 per annum.

By the same Act of 1908 the right of persons employed on 1st January, 1906, as teachers in public schools or under the Education Department to be admitted at a future date was taken away.

The Act of 1908 was amended in the following year by fixing a maximum retiring-allowance of £300 per annum in the case of persons who become contributors to the fund after the passing of the Act (24th December, 1909).

Preparations are being made to enable the Actuary appointed by the Governor, in terms of the provisions of section 38 of the Act of 1908, to make the first examination of the fund. The examination will cover the period from the commencement of the fund on the 1st January, 1906, to the 31st December, 1910—five years. Subsequent examinations will be made triennially. The Actuary's report will be duly printed, laid before Parliament, and copies distributed to contributors.

At the end of 1910,
The number of contributors was 3,247
Of whom members under Part IX of Education Act, 1908, number 128
The annual rate of contribution paid as at the end of the year was over £37,300

The number of retiring-allowances in force at the end of the year was 270, representing an annual charge of over £14,261. Of these,—

Ordinary allowances were	158, representing	£11,437
Allowances in medically unfit cases	21, ..	1,408
Allowances to widows	47, ..	611
Allowances to children	44, ..	805

The balance at the credit of the fund and invested by the Public Trustee at the end of the year was £152,149

The average rate of interest earned by the investments at the end of the year was 4.69 per cent.

No. 2.

FIFTH REPORT OF THE BOARD CONSTITUTED BY THE PUBLIC SERVICE CLASSIFICATION AND SUPERANNUATION AMENDMENT ACT (PART I), 1908.

FOR THE YEAR ENDING 31ST DECEMBER, 1910.

The Honourable the Minister of Education.

SIR,—

Wellington, 18th April, 1911.

The Board has to submit the following report for the year ending 31st December, 1910.

The number of contributors increased from 3,152 at the end of 1909 to 3,247 at the end of 1910, and the number of persons in receipt of benefits increased during the year from 215 to 270.

In terms of section 12 of the Public Service Classification and Superannuation Amendment Act, 1908, as amended in 1909, the Board, with the approval of the Minister of Education, adopted a set of terms and conditions as to payments into the fund by those contributors entitled to the benefits of the extended provisions of that section.

Details of the members of the fund on 31st December, 1910, grouped according to their status, are given in the following tables :—

† It was not until 1910 that it was ascertained that these five persons should have become members of the fund in terms of the provisions of section 5 of the Teachers' Superannuation Act, 1905. They are also included in columns (3) and (5) of the same line.

B. TOTAL NUMBER OF CONTRIBUTORS WHO HAVE JOINED AND LEFT THE FUND SINCE ITS ESTABLISHMENT (1st January, 1906, to 31st December, 1910).

From the above statements it will be found that there was a net increase of membership of 95 during the year 1910. Those members who have elected to remain subject to the provisions of Part IX of the Education Act, 1908, are probably persons whose service or salary would not insure a retiring-allowance exceeding the minimum allowance of £52 per annum provided for under that Act, and who otherwise desire to secure those benefits which it provides.
