TERMS OF SUBMISSION.

1. In case of any claim being put forward by one party which is alleged by the other party to be barred by treaty the arbitral tribunal shall first deal with and decide the question whether the claim is so barred, and in the event of a decision that the claim is so barred the claim shall be disallowed.

2. The arbitral tribunal shall take into account as one of the equities of a claim to such extent as it shall consider just in allowing or disallowing a claim any admission of liability by the Government against whom a claim is put forward.

3. The arbitral tribunal shall take into account as one of the equities of a claim to such extent as it shall consider just in allowing or disallowing a claim, in whole or in part, any failure on the part of the claimants to obtain satisfaction through legal remedies which are open to him or placed at his disposal, but no claim shall be disallowed or rejected by application of the general principle of international law that the legal remedies must be exhausted as a condition precedent to the validity of the claim.
