Details of these facts relating to the several educational districts are given in Tables A1, B1, and E1.

In order to find the actual roll number of all children receiving primary education in schools subject to inspection, it will be necessary to take into account those attending Native village schools, schools at the Chatham Islands, private primary schools subject to inspection, and the lower departments of secondary schools, and to deduct those on the rolls of the secondary departments of district high schools. The following will then be the figures:—

	Average Weekly Roll Number.	1911.
Public schools	159,299
Native village schools	4,621
Chatham Island schools	91
Private primary schools	15,914
Lower departments of secondary schools	256*
Less secondary departments of district high schools	180,181
Total average weekly roll of primary scholars	2,090
		178,091

* Number on roll at end of year.
