

SUMMIT ROAD SCENIC BOARD.

The Board has not been in existence for a full year, and no revenue is yet derived from the reserve. It is, however, anticipated that a fair revenue will accrue before long, when planting and other improvements will then be carried out in various parts of the reserves, which lie in vantage-points along the line of the road running along the summit of the Port Hills from Godley Lighthouse, Lyttelton, and Akaroa Harbour to the Akaroa Lighthouse.
