Trade.	District.	Particulars.
Agricultural and pastoral labourers..	Canterbury ..	<i>Re</i> farm labourers. Application not in order, as all the farmers in the district had not been cited as parties to the dispute. The Court advised the union to apply to it to add these farmers as parties, and then the application for an award would be heard.
"	" ..	<i>Re</i> farm labourers. Further application not in order, as the union had failed to carry out the directions of the Court (see above).
Building trade and general labourers, wool and grain store employees, and drivers	Otago and Southland (Southland)	Application for award <i>re</i> gasworks' employees. Dismissed, as when the application was made to the Conciliation Council the rules of the union did not provide for the admission of gasworks' employees.
