SESSION II.

1912.

NEW ZEALAND.

EDUCATION:

SUBSIDIES TO PUBLIC LIBRARIES

(PAPERS RELATING TO DISTRIBUTION OF).

[In continuation of E.–10, 1911.]

Presented to both Houses of the General Assembly by Command of His Excellency.

I. EXTRACT FROM THE THIRTY-FIFTH ANNUAL REPORT OF THE MINISTER OF EDUCATION.

As in the previous year, Parliament voted the sum of £4,000 in 1911–12 for payment of subsidies to public libraries. In view of the fact that this sum has been increased by £1,000 during the last two years, it is a matter of regret that the number of libraries participating in the vote should have decreased during that time by forty-six.

In the *New Zealand Gazette* of the 9th November, 1911, a notice was inserted stating that £4,000 had been voted by Parliament for distribution to libraries. Forms of application were sent to all libraries known to the Department.

The method of distribution of the vote was the same as that adopted in previous years—viz., a nominal addition of £25 was made to the amount of the income of each library derived from subscriptions, donations, and rates, provided that the receipts for the year were not less than £2, and the vote was distributed according to the amount thus augmented; but no library received credit for a larger income than £75—that is, in no case did the augmented amount on which distribution was based exceed £100. In accordance with the *Gazette* notice, the day appointed for the distribution of the subsidy was the 3rd February, 1912, and the amount of the vote was divided among the 391 libraries from which applications, each accompanied by a statutory declaration on the proper form, had been received at that date. The vote, as thus dealt with, afforded a subsidy of 4s. 9·68d. in the pound on the nominal income, and the subsidies ranged from £6 9s. 9d. to £24 0s. 8d. The number of libraries participating in the vote shows a decrease of fourteen as compared with the number aided in February, 1911.

In order that the purpose intended to be served by the vote may be attained, it is made a condition for participation that the whole of the subsidy granted to each library in the previous year shall have been expended in the purchase of books.

The following table shows the distribution according to the education
districts :—

II. EXTRACT FROM *New Zealand Gazette*, 9TH NOVEMBER, 1911.

Education Department, Wellington, 8th November, 1911.

NOTICE is hereby given that the sum of £4,000 has been voted by Parliament for distribution to
public libraries.

The distribution will take place on the 3rd February, 1912, and no claim will be entitled to
consideration that shall not have been sent in in due form and received by the Secretary.for
Education, Wellington, on or before the 27th January, 1912.

1. A library to be entitled to a subsidy must be public in the sense of belonging to the public,
and of not being under the control of an association, society, or club whose membership is com-
posed of a section of the community only, and if within a borough it must be open to the public
free of charge. The receipts for the year from subscriptions and donations must not have been
less than £2, exclusive of moneys received from endowments, or from Government, or from Borough
or County Councils, or for special building purposes, or as rent, hire, or consideration for the
use of any room, or building, or land belonging to the institution, in respect of none of which
will subsidy be allowed. The *net* proceeds of concerts, lectures, or other entertainments on behalf
of the current expenses of the library will be regarded as voluntary contributions. A subsidy will
not be given to more than one library in the same town.

2. In the division of the vote a nominal addition of £25 will be made to the amount of the
income of each library derived from subscriptions, donations, and rates, and the vote will be
divided according to the amounts thus augmented; but no library will receive credit for a larger
income than £75—that is, in no case will the augmented amount on which distribution is based
exceed £100.

3. The whole of the subsidy must be expended without delay in the purchase of books for the
library.

4. Application to share in the distribution must be by means of a statutory declaration by
the Chairman, or Secretary, or Treasurer of the institution on behalf of which it is made, and
must be accompanied by a statement of the receipts and expenditure of the institution for the
year ending on the 31st day of December, 1911; and *such declaration must be on the form pro-
vided for the purpose*, which form shall be as follows :—

I, [*Name*], of [*Place of abode*], [*Occupation*], do solemnly and sincerely declare that I am
Chairman [*or* Secretary, *or* Treasurer] of the [*Name of institution*]; that during the year ending

of the library only were as follows : From rates levied by a local governing body under Part I of
the Libraries and Mechanics' Institutes Act, 1908, or the Municipal Corporations Act, 1908,
          pounds   shillings and   pence; from the subscriptions of members,
pounds   shillings and   pence; and from voluntary contributions other than
members' subscriptions,   pounds   shillings and   pence; that the library
is public in the sense of belonging to the public, and is not under the control of an association,
society, or club whose membership is composed of a section of the community only; that the infor-
mation hereinafter furnished by me in the appendix hereto is correct in every particular; that
the abstract of accounts is a true statement of the receipts and expenditure of the institution for
the year herein specified; that the whole of the subsidy received during the year was expended in
the purchase of books for the library; *and that by the rules of the library it is open to the public
