PUBLIC SERVICE SUPERANNUATION BOARD

(FOURTH ANNUAL REPORT OF THE), WITH ACCOUNTS, FOR THE YEAR ENDED 31st
DECEMBER, 1911.

*Presented to Parliament pursuant to the Provisions of the Public Service Classification and
Superannuation Act, 1908.*

REPORT.

THE Board has the honour to submit the following report upon the transactions in connection with the Public Service Superannuation Fund.

The Revenue Account, balance-sheet, and statements regarding membership and retiring and other allowances will be found appended.

Board.—Under section 23 of the Public Service Classification and Superannuation Act, 1908, a ballot was taken on the 8th March, 1911, for the election of two members representing the contributors of the Post and Telegraph Department, which resulted in the election of Messrs. H. A. R. Huggins and A. T. Markmann. The three members representing the other Departments of the Public Service—viz., Messrs. H. R. Spence, H. W. Bishop, and G. Allport—were returned unopposed, as also Inspector Ellison, representing the Police Department.

Full particulars regarding contributors, including those who have retired from the Government service and are now on the fund, will be found in the statements appended.

Retiring and other Allowances.—Pensions for £10,570 1s. per annum were granted during the year, as follows: For age or length of service, £8,631 8s. per annum to 72 members (68 male and 4 female members); for medical unfitness for duty, £1,313 13s. per annum to 19 members (all male); to widows and children of deceased members, £378 per annum to 21 widows, and £247 per annum to 19 children.

The largest retiring-allowance granted during the year to a contributor was £403 3s., and the smallest £8 8s. per annum, while the average was £109 5s. 9d.

Those officers who retired during the year were entitled to receive the sum of £19,375 8s. 4d. accrued compensation under the Civil Service Act, 1866, had they not become participants in the benefits of the Superannuation Fund.

Thirty-two retiring-allowances were discontinued by death, and twelve for other causes—viz., four widows remarried, seven children reached age 14, and one allowance granted to an officer was cancelled on his re-employment.

The annual amount payable at the close of the year was £47,136 5s. 5d., as shown in the statement attached.

Income.—The total income for the year was £134,166, made up as follows:—

	£
Members' ordinary contributions...	97,837
Transferred from other funds ...	333
Members' contributions to enable previous service to be counted, as provided by Act ...	118
Contributions from Government ...	23,000
Fines ...	232
Interest ...	12,646
Total income for year ...	134,166

Outgo.—The pensions paid to contributors who have retired, and to the dependants of deceased contributors during the year amounted to £44,173 8s. 7d.—viz., £42,317 17s. 5d. to members, and £1,855 11s. 2d. to widows and children.

Refunds of contributions to contributors who have left the service amounted to £5,852 19s. 6d., while the refunds to personal representatives of deceased contributors amounted to £1,114 14s. 7d.

One contributor, who was retired on reaching the age-limit, elected to accept a refund of his contributions, under section 38, in lieu of a retiring-allowance. Refunds of contributions under section 32 (*ee*), by reason of the death of contributors while in the Public Service, and who were entitled to compensation from the Consolidated Fund, amounted to £519 1s. 11d. during the year.

Five contributors were transferred to other funds in accordance with the provisions of section 48 of the Amendment Act of 1908, and their contributions, amounting to £9 14s. 10d., were accordingly transferred to such other funds. The salaries of the staff (excluding that of the Secretary, paid out of the Consolidated Fund, as provided under section 25 of the Act) and other office expenses were £731 17s. 1d. and £49 19s. 6d. respectively.

The travelling-expenses of the elected members of the Board amounted to £61 1s. 6d.

The Public Trustee's charge of £396 15s. 8d. represents commission on contributions received to the 31st May, 1911, and a moderate charge for receiving and paying the fund's moneys from that date to the close of the year. From the 1st January, 1912, all receipts and payments will be made through the Post Office Account, with periodical transfers of balances to the Public Trustee's common fund.

Under this arrangement the charges hitherto made by the Public Trustee are abolished entirely, and the only expense in this connection will be a payment of £50 per annum to the Post Office—a net saving exceeding £700 a year.

Accumulated Funds.—These amounted at the end of the year to £341,736.

The large amount of interest accrued, £7,804 10s. 3d., compared with that shown in previous reports, arises from the new arrangement of placing the moneys in the common fund of the Public Trust Office. On the 1st April next, and on the same date in each succeeding year, the total amount of interest accrued to the end of the financial year will be capitalized.

The actuarial examination of the fund for the first triennium, prescribed by section 48 of the Act, was made last year, and the Actuary's report thereon was laid before Parliament during the short session held early this year. The report states that, as was anticipated, an addition to the annual subsidy will be necessary for the current triennium. It concludes with the opinion that, so long as the fund is conducted on the present lines, it will be a credit to the Dominion.

During the past year the regulations for the conduct of the Board's business have been revised, and amended where necessary, the provisions of the above-mentioned amending Act being embodied.

G. W. RUSSELL, Chairman.
