

SESSION II.
1912.
NEW ZEALAND.

CHILDREN UNDER FOURTEEN YEARS OF AGE

BELONGING TO FAMILIES OF MORE THAN THREE CHILDREN.

Return to an Order of the House of Representatives dated the 9th October, 1912.

Ordered, "That there be laid before this House a return showing an approximate estimate of the number of children in the Dominion (exclusive of Maoris) under the age of fourteen years belonging to families in which more than three children have been born to the marriage."—(Mr. CRAIGIE.)

RETURN SHOWING CHILDREN UNDER FOURTEEN YEARS OF AGE BELONGING TO FAMILIES OF MORE
THAN THREE CHILDREN.

- 1 THE total number of children under the age of fourteen belonging to all families in the Dominion according to the census of 1911 was 297,295.
2. Of this number it is estimated that approximately 160,000 belong to families in which more than three children have been born to the marriage.

Registrar-General's Office, 23rd October, 1912.

M. FRASER, Government Statistician.
