

APPENDIX B.

I. EXTRACT FROM THE THIRTY-SEVENTH ANNUAL REPORT OF THE
MINISTER OF EDUCATION.

EDUCATION RESERVES.

By the provisions of the Education Reserves Amendment Act, 1910, these reserves are vested in the Crown, and are placed under the administration of the several Land Boards. The revenues derived from these reserves, subject to a charge for expenses of administration, are paid by the Receivers of Land Revenue into the Public Account to the credit of a separate account for each provincial district.

The above provisions of the Act apply only to revenue derived from reserves since the date of the Act coming into force.

All funds, mortgages, and investments which were at that date vested in the School Commissioners the Act provided should be taken over by the Public Trustee, the revenue to be dealt with similarly to that received by Land Boards.

The revenue is distributed quarterly by the Minister of Finance on a basis provided by statute. Sums equal to the amounts paid to Education Boards are deducted from sums due by this Department to the Boards.

In this report the transactions of the Education Department only are given.

(a.) Primary.

The revenue from all sources received during the year 1913 was £63,789 5s. 3d., including a sum of £1,478 15s. 1d., which represents interest on mortgages and investments received from the Public Trustee for the financial year 1913-14. This was the total amount received by Education Boards for the year ended the 31st December, 1913.

Table G shows the reserves revenue and interest on mortgages and investments received on account of primary education, together with the distribution to Education Boards.
