Totals for 1917	489	..	490.58	453.79	93.5

(1) Open for two days only.

* The totals do not agree with the figures relating to roll number and attendance given in the report to the Minister, for the reason that the former represent the average attendance and average roll number for the mean of the four quarters of each Native school taken separately, and the latter the mean of the combined quarterly totals of all schools.
