TIMBER REGULATIONS.

[(*Gazette*, 6th August, 1918.)]

PART I.—GENERAL.

“Sawmill” means a mill at which sawn timber is produced from the log.

3. For the assistance of the Minister in Charge and the Board of Trade in the exercise of the powers and authorities conferred by these regulations there may be appointed an advisory committee, to be known as the Timber Industry Committee, which shall consist of such representatives of persons engaged in the business of sawmilling or of exporting timber from New Zealand, or in any business depending upon a supply of timber, as the Minister in Charge, on the recommendation of the Board of Trade, may from time to time appoint to hold office during his pleasure.

4. The owner or manager of every sawmill shall, within twenty-eight days after the publication of these regulations in the *Gazette*, furnish to the Board of Trade particulars as to—

(b.) The location of the mill; and

(c.) The names, addresses, and businesses of all persons who, since the 31st day of March, 1917, have obtained from the sawmill not less than 50,000 superficial feet of sawn timber.

PART II.—EXPORTATION OF TIMBER.

5. (1.) The Minister in Charge may from time to time determine, with respect to any sawmill, the minimum quantity of sawn timber of any kind or grade produced in that sawmill that may be required for use in New Zealand in any period. Such quantity may be fixed either definitely as a specified amount of timber, or indefinitely as a fractional part of the output from the mill of timber of the kind or grade referred to.

(2.) The quantity so determined by the Minister for any period in respect of any sawmill may from time to time be increased or reduced by him.

(3.) Notice of the quantity so fixed with respect to any sawmill, and of any increase or reduction thereof, shall be forthwith given to the proprietor or manager of that sawmill by the Minister or the Board of Trade.

(4.) In fixing with respect to any sawmill or sawmills [the minimum quantity (if any) of sawn timber required to be reserved pursuant to these regulations for use in New Zealand, the Minister may have regard to the terms of any agreement between the owners of any sawmills that, in consideration of the terms of the agreement, the whole or any specified portion of the timber that may be required for use in New Zealand from the mills owned by the parties to the agreement shall be produced in one or more specified mills to the exclusion or partial exclusion of other specified mills.

(5.) A breach of any such agreement shall not constitute a breach of these regulations, but on such breach being proved to the satisfaction of the Minister he shall forthwith adjust, in such manner as he deems equitable, the quantities of timber to be reserved for use in New Zealand from the several sawmills affected by the agreement.

6. After a notice with respect to timber of any kind or grade has been given under the last preceding clause of these regulations with respect to any sawmill, it shall not be lawful for any person (whether a sawmiller or not) to export sawn timber of that kind or grade produced at that sawmill (whether before or after the delivery of that notice)—

(a.) Except pursuant to a permit to export such timber issued by a Collector of Customs pursuant to the provisions of these regulations in that behalf; and

(b.) Unless at the date of shipment the minimum quantity of such timber as fixed for the period including the date of shipment and for all preceding periods has been disposed of by the sawmiller or some other person for use in New Zealand at a price not exceeding such maximum price (if any) as may for the time being be fixed under the provisions in that behalf of the Regulation of Trade and Commerce Act, 1914, or is reserved for use in New Zealand and is available for sale at such price, or unless security has been given to the satisfaction of the Minister that such minimum quantity will be so reserved as aforesaid.

7. (1.) Every person who proposes to export any timber after the commencement of this Order in Council shall apply to the Collector of Customs at the port of shipment for a permit to export such timber, and shall furnish to the Collector—

(a.) Particulars as to the kind and grade of timber proposed to be exported;

(b.) Particulars as to the sawmill at which the timber was produced, or, in cases where application for a permit is made before the timber has been actually produced, particulars as to the sawmill at which such timber is to be produced;
