

STAFF.

Careful attention continues to be given to the question of the staffing of the various Departments, as will be seen from the subjoined table. The increase in number of two as compared with last year is more than accounted for by the increase of five in the number of officers engaged in the Medical Department.

Department.	Report for 1921.	Report for 1922.	Staff as at 31st March, 1923.	Staff as at 31st March, 1924.
