

July 19th 1908
Dear Sirs,
I have the honor to inform you that I have been engaged by the
Government of the United States to conduct a survey of the
boundary between the United States and Mexico from the
International Boundary Commission at the point where the
boundary line crosses the Rio Grande River to the Pacific Ocean.
The work will be done in accordance with the terms of the
agreement between the two governments, and I hope to have
the survey completed as soon as possible.

...which includes the new line, and I am inclined to do so. I am not however afraid of it
but merely of the expense of getting it done.
