I am directed to report that the Committee has no recommendation to make.

I am directed to report that in the opinion of the Committee the petition should be referred to the Government for most favourable consideration.

### SLAUGHTERING AND INSPECTION BILL.

I HAVE the honour to report that the Committee has taken a considerable amount of evidence on the Slaughtering and Inspection Bill, but wishes to place on record its opinion that it is most desirable that such important measures should be brought down earlier in the session. As there has not been time to fully consider the evidence tendered and to go thoroughly through the clauses of the Bill, the Committee is of the opinion that the Bill should not be allowed to proceed.

7th November, 1929.

### SPECIAL REPORT.

I HAVE the honour to report that the Agricultural and Pastoral Industries and Stock Committee desires to express its keen appreciation of the ability and courtesy with which the Chairman, Mr. Lye, has presided over the business of the Committee during the session. It further desires that this resolution shall be recorded in the Minutes of the Committee and be reported to the House.

H. S. S. KYLE,

A Member of the Committee.

### SPECIAL REPORT.

I HAVE the honour to report that the Committee desires to record its high appreciation of the valuable services rendered by the Clerk of the Committee, Mr. E. F. Fox. The Committee desires also to record its opinion that the Committee Clerks are a most useful body of officers, and that the Government should make provision for their permanent employment, in order that their services may be available session after session.

### FINAL REPORT.

I HAVE the honour to report that the Agricultural and Pastoral Industries and Stock Committee, consisting of ten members, has held five meetings during the session, and that the average attendance of members has been six.
