With reference to Your Lordship's despatch, Dominions No. 428, of the 10th September, relative to the Eleventh International Veterinary Congress, which is to be held in London in August, 1930, I have the honour to inform you that His Majesty's Government in New Zealand greatly appreciate the kind invitation extended to them to appoint delegates to attend the Congress, and hope that it will be possible to arrange for suitable representation thereat. A definite decision on the question cannot, however, be made at the present juncture, but as soon as one is arrived at a further communication will be addressed to you.

## No. 31.

New Zealand, No. 283.

MY LORD,— Government House, Wellington, 12th November, 1929.

I have the honour to acknowledge the receipt of Your Lordship's despatch, No. 282, of the 14th September, relative to the proposed inclusion at the International Colonial Exhibition, to be held at Antwerp next year, of exhibits relating to colonial town-planning, architecture, and modern decorative art.

2. My Ministers regret that there are no exhibits of this nature available in New Zealand that could be displayed at the Exhibition. They remark, moreover, that architecture, town-planning, and decorative art in this Dominion follow closely along English lines.

I have, &amp;c.,

CHARLES FERGUSON,  
Governor-General.

The Right Hon. Lord Passfield,  
Secretary of State for Dominion Affairs.
