REPORTS.

No. 7/31 (Sess. 1).—Petition of J. A. CONNELL, of Wellington.

PRAYING for an inquiry into the present administration of the Department of Agriculture in coping with various stock diseases.

I am directed to report that the Committee has no recommendation to make.
9th September, 1931.

No. 49/31 (Sess. 2), Petition of ARARATA CO-OPERATIVE DAIRY CO., LTD., and 108 other Dairy Companies; also 1,887 Signatures; and No. 14/31 (Sess. 1), Petition of TE HORO CO-OPERATIVE DAIRY CO., LTD., and 36 Others.

PRAYING for legislation to remove the Customs duties on stock-foods and wheat.

I am directed to report that in the opinion of the Committee the petitions should be referred to the Government for consideration, with a view that where the rate of exchange on imported stock-foods coming into the country free of duty is not equitably passed on to the primary producer, the Government should impose a dumping duty equal to the rate of exchange, and pay the same into the Consolidated Fund.

9th September, 1931.

WELLINGTON CITY MILK-SUPPLY AMENDMENT.

I HAVE the honour to report that the Committee, having carefully considered the above Bill and heard evidence, recommends that it be not allowed to proceed.

21st October, 1931.
