

AT A FUTURE DAY.

1. MR. E. G. WAKEFIELD—To move as a Resolution that in order to give full and harmonious effect to the three principles of Provincial Separation, Federal Unity, and Ministerial Responsibility in the General Government of New Zealand, it is expedient that future arrangements for forming an administration intended to be permanent, should comprise a special representation of each Province in the Executive Council (irrespective of members of the Council holding office under the Crown) by means of an unpaid member of the Council, taken from the Province, and holding his seat, as an adviser of the Governor, on the ordinary condition of responsibility towards the Representative Body.

ALEX. S. MARTIN,

Under Clerk.
