

Awards for No. 1 Photograph Competition

The entries for this competition included many excellent photographic nature-studies; so much so that the judge, Mr. G. C. Clarke, had an unenviable task in awarding the prizes.

Mr. A. N. Breckon, of Northcote, Auckland, a reproduction of whose study appears on the cover, was awarded 1st Prize for a beautiful photograph of a Kiwi feeding in its natural surroundings. Mr. Breckon also received the 2nd Prize for a perfect study of Terns in flight.

The 3rd Prize was awarded to Mr. Ellis Dudgeon, of Nelson, for a fine bush scene.

Other very commendable pictures were received from many, including Miss Patricia Brooke-Taylor, Miss F. P. Fraser, Miss Rona E. Robinson, Mr. C. E. Barwell, Mr. A. Northwood, Mr. W. A. Neill, and Master Ian MacLean.

Particulars of a second competition appear on page 13.

2nd Prize: A. N. Breckon—TERN IN FLIGHT.
