

The New Zealand Alpine Calendar is recognised as unsurpassed in its portrayal of our mountain country. For 1983 colour photos by Dave Bamford, Geoff Spearpoint and John Nankervis have been superbly reproduced to depict each month the ever-changing moods of the Southern Alps.

- Calendar features
- a wide variety of mountain scenes
  - a clear presentation
  - weekends, public holidays and moon phases
  - mountain notes
  - quality paper
  - calendar size — 490mm x 350mm
  - photo size — 310mm x 210mm
