

Special airline. To special places.

Air New Zealand. A very special airline. America's Travel Holiday magazine voted us the "best foreign airline". Not just once, but the last five years in succession!

We're proud of the accolade. Proud to offer an unsurpassed service, to an astonishing variety of very special places.

London. Singapore. Tokyo. Los Angeles and Honolulu. Australia, the South Pacific Islands and our home, New Zealand.

Our 747's fly the world in style. First Class. Pacific Class. Economy.

Within New Zealand our 737's and F27's fly to 23 cities, towns and resorts. Many, more beautiful than anywhere else in the world.

When only the best is good enough, we take special pride in serving you. Call us, or your travel Agent for more information.
