SOUTHERN PARKS

16 days of adventure, leisure, and learning, especially tailored to those with an interest in ecology, the environment, and history. Our luxury coach takes you via the backroads on a journey of discovery.

Evening lectures include: The Kakapo, The Takahe, The Black Robin, Sub-antarctic Islands, The Otago Goldfields. The Tour leader is well qualified and will provide you with the background material and notes which will build into a valuable resource folio. Each tour limited to 12 persons. Depart Christchurch March 12, May 7, September 20, November 15 1986. Price \$1987 is all inclusive. Quality twin share accommodation and meals.

STOP PRESS: As this was going to print plans were being finalised for a tour to Preservation and Chalky Inlets and Dusky Sound in Fiordland in July/August 1986. Only a very limited number of berths are available on the 9 day chartered cruises—an opportunity of a lifetime to visit these remote and inaccessible areas. Write now!
