## A GIFT OF THE PRESENT

## FOR THE FUTURE

New Zealand's wild plants and animals are a priceless gift. The Royal Forest & Bird Protection Society has been working since 1923 to ensure this gift is passed along for future generations.

is passed along for future generations.

Being a member of the Society
means being a part of this nation's
most effective conservation lobby. You
can be active in conservation
campaigns . . . join others in national
or local outings . . . or simply take
pleasure in knowing you are playing an
important role in belping to
preserve our priceless natural
beritage.

As well of course you receive 4 copies a year of New Zealand's finest natural bistory magazine.
