THE SAFE ALTERNATIVE

There's more to our being "green" than our colour. We're also completely non-toxic and biodegradable; to be safe for you, and the environment. And we know something about financial conservation too: Simple Green is a truly all-purpose household cleaner — you can even use it as a laundry detergent. You won't have to buy as many cleaning products, so you'll save a few pennies. Even as you help save the environment.
