

ENVIRONMENTAL EDUCATION CONFERENCE

HOSTED BY THE NEW ZEALAND NATURAL HERITAGE FOUNDATION

Our Common Future - The Way Forward

26-30 August 1991, Massey University

Participate in New Zealand's first major environmental education conference for educators from all levels, environmental agencies, central and local government, the media and business.

Your opportunity to share in the planning of policies and programmes for environmental education and training in New Zealand.

- relate major environmental issues to ideas and practice in environmental education and training

- discover and share materials and resources
- coordinate environmental education activities
- establish and expand networks
- benefit from the experience of leading international practitioners

Our Common Future - The Way Forward

is supported by the Ministry for the Environment, and has been approved as in-service course by the Ministry of Education.

Make your contribution to New Zealand's Future. Act Now

Telephone (06) 356-9099 ext. 8813 or fax (06) 356-7286

PRINTS OF The New Zealand Eagle Pouakai

Incomparable in grandeur.....

Black & White *\$22.50 Print size 48 x 33cm (19 x 13 ins) on Royal Linen Stock Colour *\$35

New Zealand was once the home of the largest eagle in the world. Extinct for perhaps 500 -700 years, this gigantic bird had a wingspan of up to three metres, talons as large as tiger claws and weighed as much as 13 kilograms - much bigger than the largest eagle in the world today. Through the beautiful work of New Zealand artist Vinney Thompson the Pouakai lives again, in magnificent colours (based on Maori legend) or fine detail pencil-drawn black and white.
