

## The Crystal Ball Conference

An Insight to Your Energy Futures

# Your Success Tomorrow Depends on Making the Right Decisions Today

- Few decisions will have as much impact on your business as those made about the future of energy resources.
- Energy and economic conditions are continually changing, making yesterday's strategies obsolete.
- Take your business to the forefront of industry trends by turning the need for change to your advantage.
- You already know the questions .....

### **The Crystal Ball Conference**

An Insight to Your Energy Futures  
has the answers.

- Share the knowledge and experience of world leaders in the management of energy supply and use, finance, marketing, environment, technologies and industry policy.
- Join an international gathering of influential business leaders at The Crystal Ball Conference, Auckland, New Zealand, March 31 to April 3 1992.
