

Conservation

*is foremost on our mind...
and also on our paper!*

Conservation — Europe's leading 100% Recycled letterhead paper has you in mind. Each high quality sheet shows your concern for the environment. It is watermarked to register with the word "**Conservation**" and the International Recycling symbol.

Conservation 100% recycled Stationery papers are available from your local printer or by contacting our Offices listed below.

Available now in New Zealand in **Wove** and **Laid Natural White** with matching Boards and DL Envelopes.
