**Enlarge your vision of the world
with Minolta Binoculars**

Whether you're experiencing life's exciting moments at the stadium, the theatre or the rugged outdoors, Minolta binoculars can bring you so close to the action, you'll feel part of it. From the dependable all-weather performance of the Weathermatic to the Ultra-compact Pocket model, Minolta Binoculars deliver sharp precise images, with the kind of reliability you've come to expect from Minolta. The advanced optics, and user-friendly design of Minolta binoculars makes owning a pair... clearly worthwhile.

Advanced optics
Minolta use prisms made of special optical glass which correct colour aberrations and improve image clarity.
