

# HANDBOOK OF THE BIRDS OF THE WORLD

## Volume 1 Ostrich to Ducks

ICBP

Lynx Edicions

Edited by  
Josep del Hoyo  
Andrew Elliott  
Jordi Sargatal

Due September 1992

## The first ever work to illustrate and cover in detail all the species of birds in the world

Complete chapter dedicated to each family, and individual accounts for each species with a summary of taxonomy, distribution (including subspecies), habitat, feeding, breeding, movements, status, conservation, bibliography and distribution map.

The whole work will comprise 10 large-format volumes of 310 x 240 mm.

Volume 1, with a comprehensive introduction to Class Aves/the Birds and covering the first 27 families, includes: 640 pages • 50 colour plates depicting all species and distinctive subspecies • 17 anatomical colour plates • more than 350 colour photographs • 550 distribution maps • more than 5000 bibliographical references.

Free 4-page brochure available from ICBP:

ICBP,  
32 Cambridge Road  
Cambridge, CB3 0PJ, United Kingdom

There is a pre-publication offer with a special price of £69.00 (Normal price £95.00) + £4.00 Postage & Packing. Copies can be ordered by writing to ICBP with payment enclosed (cheque or international money order in £ sterling, or credit card).

Offer expires 30 September 1992.

# Amateur Naturalists

Learn more about our wonderful environment.

## Have you ever

felt an earthquake, seen a volcano erupt, witnessed a landslide, walked on black sand, stumbled across a seashell on a mountain top, been awestruck by the grandeur of formations in limestone caves, been amazed by the beauty of gemstones... and wondered how and why?

## Find out

the answers to these questions and many others. **Basic Geology** is a course especially designed by **The Open Polytechnic** for people who love our environment and the outdoors. You learn at home so there's no need to attend classes and you can start and complete the programme as you see appropriate. We can tailor a programme to suit your interests or if you wish you can study for a formal qualification. No prior knowledge is required.

**It won't cost you the earth to find your own goldmine!** Post this now.

Please send me more information on **Basic Geology**.
